LIBERTERREAN DEADLINE IS: Tuesday, May 28, 1985

## JOUST

There are now 6 players -- 3 from Engano aines, one from Veocouvor, SC, and another champion for Magnus, a Sacramento, CA sime. Larry Poory's new nominee, Grog Ferr, 7887 Ethel Ave., N. Hollywood, CA 91605, will represent XENO in the Jonot. Paul Gardner's NMY will be represented by David Lincoln, 25 Sun Valley Dr., Cumberland, RI 02064. Now we need only one more sime to put up a champion and the Jonot will begin!

## LIBOURSE PRESS:

Ken Geotiehr, Box 302, El Cajon, CA 92022, is the new Libourso pleyor. His country is really named Klownall. I just forgot to change it before I ran the program.

KLOWNVLL: I think I got it all. I'm still not sure about military attacks; or if they're even worthwhile. They're sure to get me enemies. Well, I've established that Ornxo is in the bad. My selas should hurt the others linencielly. So Klownvll attacke Ornxo.

## PBEM DIPLOMACY:

If you and your compoter want to see a PBEM Diplomacy game in progress, call (503) 683-4350 and ask the SysOp to let you into the Dippy conlarance. Or you can tell me ahead of time, and I'll get you in before you call. Dan Gorham is in and waiting for the next opening. The current game is up to Fell, 1984.

## LIBOURSE:

Players in the Libenroe trade in the currencies of the Top Board Game, 1984 IR. Currency prices are effected both by trading activity and by the control of supply centers in the Diplomacy game. You may join the game at any time by submitting the 43 game fee together with your request for esoinment and a name for your country (only Top Board players may use the name of their pection in the Diplomacy game).

Your country will have characteristics in the following categories: population, traceny, agricultra, military, industry, micorel resources, communications, transportation and ntillities. You will receive approssimally \$7,000 in currency of the surviving Diplomacy positions in the Top Board game. You must improve your country in all categories to do well. And you may attack one other Libourso country each turn. Random events may help or hinder your progress.

## ARMORED BARBARISM 1985:

To speed up turn-around time on those deadlines, I plan to asoceta tactical scenarios as soon as I receive them, instead of waiting for the deadline. I will asoceta those for which I have the means of both sides first, but some might be executed before the opponent has had a chance to put in a move.

Maybe you will be attacked and see units engaged before you

could move them out of the way. Maybe you'll be attacked in a location before your reinforcements arrive.

I will not execute a move from a player living in Engano unless I execute his opponent's move until the last 5 days before the deadline.

The market is lowering the price of Infantry. Buyers were scroo at 500 PP, so the new price is 300 PP. Anyone who spent 500 may receive a refund.

Just for your interest, here is how the players rank in terms of Income/Growth Rate: UK - 1/3; USSR - 2/1; Germany - 3/6; Japan - 4/10; France - 5/2; USA - 6/7; Spain - 7/5; Italy - 8/9; Poland - 9/8; Turkey - 10/4.

## WORLD NEWS:

the full fruits of this transfer immediately, as Normandy, Tunis

France.

**PRESS:**

**BURGUNDY:** The royal country of France has now retreated

into the Fortress Burgundy. Having been attacked by Germany and

stepped by Italy, France has no choice but to hang on until the

hitter end. Assistance from Russia (I hope) and England has

passed matters considerably, and will be remembered. Italy's

essent on Marseilles will be forgiven and forgotten if and only

if he stays out of Burgundy. Otherwise, a kamikaze last minute

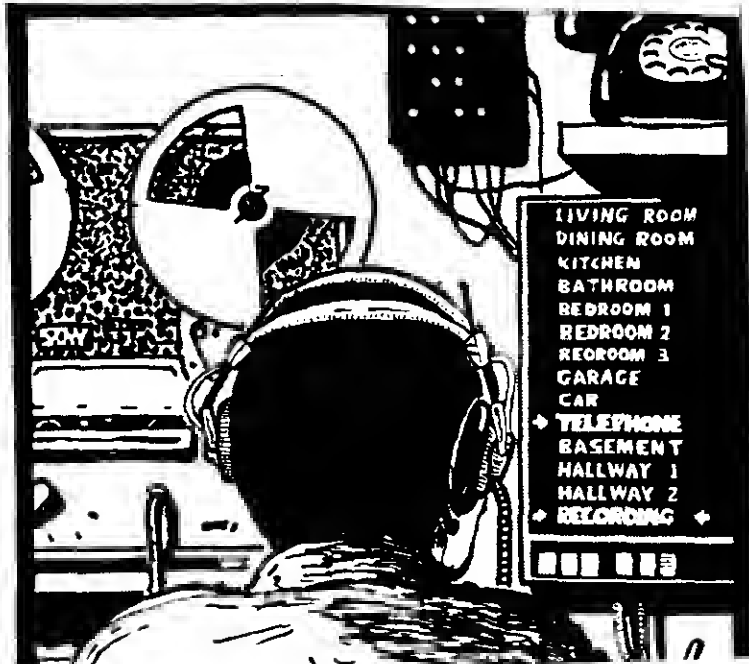

attach on Marsalliao might leave their army in shambles. Peace is desired with Italy.

Not so with Germany. Already, plans are being made for possible invasion into Kiel or Bavaria. The Bargandians will fight Germany tooth and nail, scratching and clawing for every available advantage. Hitler must be captured!

POLAND)USSR: I understand the game (more-or-less). Thanks for your concern.

POLAND)WORLD: Poland declares a state of total isolationism. We have no intention of going to war against anyone and are hoping against hope that any potential aggressor will just leave us alone! Oh, by the way, Poland will join any alliance making our province in national victory conditions. We know we can't beat 'em, so we are more than willing to join 'em.

MOSCOW (Pravda):

The Peoples Soviets of Mongolia, Finland, Estonia and Latvia were accepted into the USSR.

MOSCOW (Pravda): The USSR formally protests the German treatment of Poland. Premier Phragoinahl states: "For Germany to force Poland to cede its capital, with a loan of 15-20 PP, and then to cut it off from its natural boundaries in Lithuania and Rumania is unacceptable. The Polish people deserve better treatment."

STOCKHOLM (Pravda): The Prime Minister ordered the old Prime Minister to return at once to face war crimes. Western reporters are also warned that if they continue to report false reports about the USSR they will be barred from the country.

MOSCOW (Pravda): The Soviet Minister of Press warned western reporters that their continued erroneous reporting of events within the Soviet nation could result in their being barred from entering the USSR. Such statements as "surprise attack" when referring to politically advanced nations who of their own free will join the Soviet nation will not be tolerated.

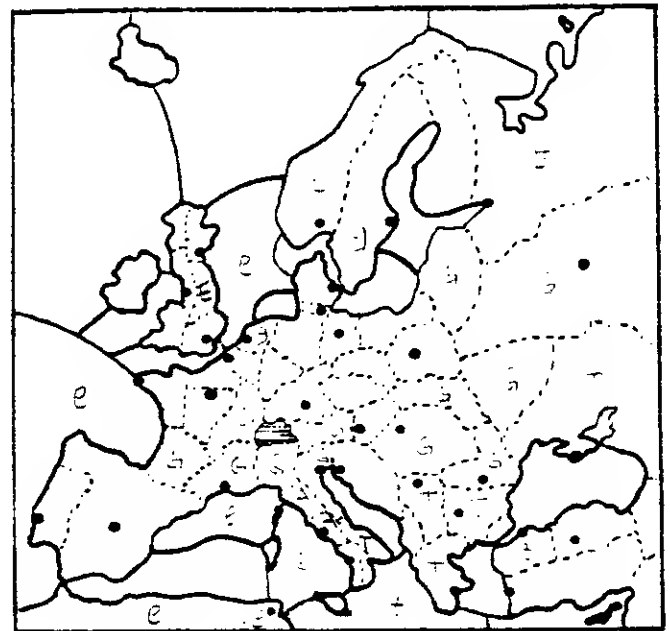

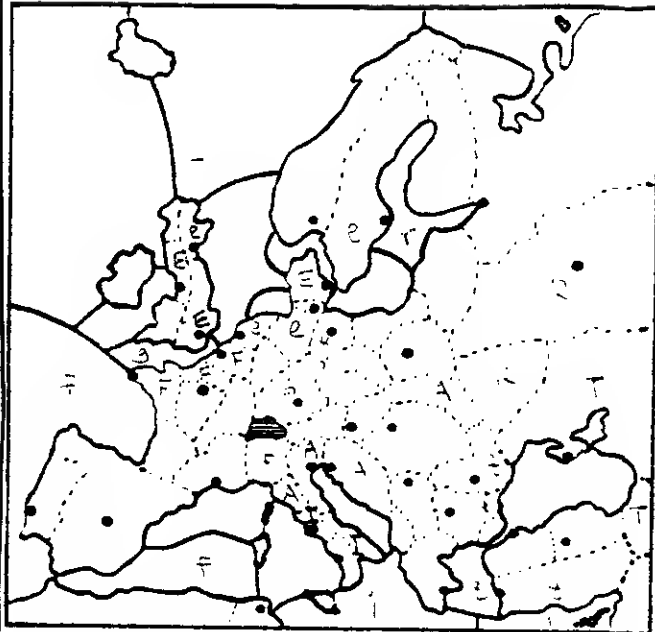

PORT AU PRINCE, HAITI: The Haitian armed forces mobilized their 4 bicycles and 2 bicy cists in the wake of threats from Sweden to kidnap the Swedish govt in exile which has been given protection here. The former Prime Minister told the press: "Yadda, yadda, come and get me!"

The 1985 Runestone Zine & GM Poll

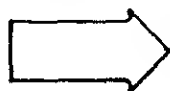

**THE NINTH ANNUAL NORTH AMERICAN ZINE POLL:** You may rate any publication substantially devoted to Diplomacy of which you have seen more than two issues since April 1, 1984. Rate the series, not individual issues. Rate each zine on a scale of 0 to 10 (0 being the lowest possible rating, 10 the highest). No fractions, please. Specify subzines and rate them separately from the parent zine; subzines will be listed separately. Publishers may not rate their own zines or subzines. Sign your ballot and indicate one way in which you participate in the hobby (e.g. "I sub to zine XXX", "I play in game 1984YY", "I publish zine ZZZ", etc.). All votes will be kept confidential (but please note that Pat Conlon will see all of them). Please list the zines alphabetically to make tabulation of the results easier. I reserve the right to tabulate or ignore ballots which do not follow the format outlined above.

**THE EIGHTH ANNUAL NORTH AMERICAN GAMESMASTER POLL:** You may rate any GM in whose postal game or games you were a player during the year beginning April 1, 1984, and under whom you played for long enough to gain an objective assessment of his or her competence as a GM. Rate each GM on a scale of 0 to 10 (0 being the lowest possible rating, 10 the highest). No fractions, please. Gamesmasters may not rate themselves. Others may not rate GMs in whose games they were not active players during the poll period. Rate each GM by NAME, not by zine. Votes which do not use the GM's name will not be tabulated. Please list the GMs in alphabetical order by SURNAME. Distinguish between Ron Brown of California and Ron Brown of Canada if you vote for either or both.

The deadline for both polls is June 29, 1985. The deadline for ballots sent to Pat Conlon is June 22, 1985. Results will be tabulated as soon after the poll deadline as possible, and will be released as they become available to anyone wishing to phone. Please rate only North American zines, subzines, and GMs; though any readers or players living outside North America are welcome to participate. Send all ballots to Bruce Linsey, 73 Ashuelot St., Apt. 3, Dalton, MA 01226, USA or Pat Conlon, Box 17014, LSU, Baton Rouge, LA 70893, USA.

SUBSCRIPTIONS TO **LIBERTERREAN** ARE \$5/9 ISSUES. DEADLINES ARE EVERY THREE WEEKS. **LIBERTERREAN** IS A GAME-ZINE FOR PLAYERS OF DIPLOMACY, ARMORED BARBARISM, LIBOURSE & OTHER MULTI-PLAYER GAMES. ALL PLAYERS MUST MAINTAIN A SUBSCRIPTION. EACH SUBBER MAY USE UP TO 300 WORDS PER ISSUE FOR LETTERS, PRESS, ADVERTIZEMENTS, & ETC.
